

Al-Zahra Sub-specialty Eye Hospital
Zahedan, Islamic Republic of Iran

About Hospital

Al-Zahra Eye Hospital located in Zahedan, southeast of Iran, was established in 1988 as a specialty eye hospital but later the hospital gradually expanded to a subspecialty hospital. Al-Zahra is a 109-bed eye Hospital including 104 inpatient and 5 emergency beds. In the clinic of this subspecialty hospital, patients are admitted daily in five fields including: Posterior segment, anterior segment, Strabismus and Oculoplastic, Neuro-ophthalmology, and Optometry.

In addition, since the establishment of this hospital until the beginning of this year (2022), 10 faculty members of the Ophthalmology Department of Zahedan University of Medical Sciences have performed more than 116,000 surgeries.

Admission of international patients:

In order to expedite the patient admission process, the hospital International Patients Department (IPD) will guide the patients through the process and provide all necessary services from the beginning to the end of discharge process. Patients will be paired with an international patient coordinator, who serves as a single point of contact during the patient's admission.

The duties of the coordinator:

- Managing medical consultations
- Coordinating hospital admissions
- Accommodating special food requirements
- Assisting with travel and hotel arrangements.

Outpatient Clinics:

- General clinics
- Retina
- Cornea
- Glaucoma
- Strabismus
- Excimer laser
- Retinopathy of Prematurity (ROP) subspecialty clinics

Para-clinical Services:

- OPD scans
- Optical Coherence Tomography (OCT)

- Visually evoked potential (VEP)
- Electroretinography (ERG)
- Electrooculography (EOG) tests
- Pentacam
- Angiography
- A scan& B scan
- Pachymetry tests
- Topography
- Argon laser & Nd: YAG lasers
- Selective laser trabeculoplasty (SLT)

Pre-Departure Services:

- Admission in the Hospital
- Tele-consults and Pre Departure Evaluation
- Facilitate Travel arrangements
- Visa Services
- Hotel Booking
- Airport Pick Up and Drop

Post -Discharge Services:

- Post Discharge travel arrangements through a travel partner
- Post discharge stay in Zahedan in a choice of hotels
- Travel Assistance for sightseeing within Iran
